

Quadrat Eco 70

Article number: 10001384

Series: Quadrat Cortenstahl 70

Product description

The Quadrat Eco 70 is Dutch design, and has even been nominated for the Dutch Design Awards. So a true bin for the Dutch soil. This **robust** litter bin is the **corten steel** version with stainless steel hood of the Quadrat 70, which is produced in powder-coated steel.

The Quadrat Eco 70 has a capacity of 70 litres and is equipped with a top that protects the waste from the rain. The bin is fully modular. This immediately gives the Quadrat a circular basis. The Quadrat is equipped with a stainless steel inner box.
